My Immortal

I wish that you would just leave, 'cause your presence still lingers here,

and it won't leave me alone.

These wounds won't seem to heal.

This pain is just too real.

There's just too much that
time cannot erase. When you cried I'd

wipe away all of your tears. When you'd scream I'd

fight away all of your fears. And I held your
hand through all of these years. But you still

have all of me.

You used to captivate me
by your resonating light. Now I'm bound by the li-

fe you left behind. Your face it haunts,

my once pleasant dreams. Your voice it chased a-way
all the sanity in me. These wounds won't seem to heal
